

REMARKS

Amendments to the Specification

The specification has been amended to include a priority claim paragraph. The amendments to the specification introduce no new matter.

Because the claim for priority to Provisional Application No. 60/393,969 was not made in the manner and in the time required by 37 C.F.R. § 1.78(a)(2), Applicant submits herewith a petition to correct an unintentionally delayed priority claim, pursuant to 37 C.F.R. § 1.78(a)(6).

CONCLUSION

Applicant invites the Office to telephone the undersigned attorney with any questions relating to submission of this paper.

Respectfully submitted,
